 Deptel 179/ We consider it essential GOTT reverse approval given for
 IL-18 landing scheduled October 22 but apparently delayed which reported by
 Embassy through another channel. If Embassy cannot refer to approval ~~for~~ in
 demarche requested reftel because of nature of source of information, it
 should refer to independent knowledge US has of proposed flight and urge GOTT
 not approve flight or reverse any approval action it may have already taken
 in light current critical situation. Inform.
